"OM NAMAH SHIVAYA"

Your letter of 22nd November 1998 along with the information of "Mukti-Gupteshwar Mahadev", the 13th Jyotirlinga, which is to be consecrated in a cave temple in the city of Campbelltown (N.S.W.) has been received and the contents submitted at the lotus feet of His Holiness with your sastanga pranams.

His Holiness Jagadguru Shankaracharya Sri Sri Bharathi Theertha Mahaswamiji is very pleased to note from my submission about the consecration ceremony to be held in Campbelltown (NSW), Australia. His Holiness is also pleased that the 13th Jyotirlinga icon of Lord Shiva will be consecrated in a cave temple.

Recitation of Lord's name, installation of idols in temples etc. are age old acts ingrained in Hindu culture and tradition.

I am directed by His holiness to convey His Benign Blessings for the success of the consecration ceremony to be held on the 14th February 1999 and for the welfare and prosperity of all the devotees taking part in this holy & sacred event.

May the cave temple of Campbelltown be the great service to the Indian community in Australia and help in propagation and sustenance of our ancient culture and tradition among the Hindu community.

Asirmantrakshatas and Sri Sharda Archana Prasadams blessed by His Holiness are enclosed.

(V. R. GOWRISHANKAR)
